

# Optima Medicare (PPO) Pharmacy Directory

This booklet provides a list of Optima Medicare's (PPO) network pharmacies. All network pharmacies may not be listed in this directory. The inclusion of a pharmacy in the directory does not guarantee that the pharmacy is open or is at the same location as listed in the directory. Listing does not guarantee participation in the network. Pharmacies may have been added or removed from the list after this directory was printed.

To get current information about Optima Medicare network pharmacies in your area, please visit our Web site at [www.optimahealth.com](http://www.optimahealth.com) or call our Member Services at 1-800-927-6048, from 8 am – 8 pm, Monday to Sunday. TTY users should call 1-800-225-7784.

## **Introduction**

This booklet provides a list of Optima Medicare's (PPO) network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Optima Medicare's formulary. If you have additional questions, please call our Member Services at 1-800-927-6048, from 8 am – 8 pm, Monday to Sunday. TTY/TDD users should call 1-800-225-7784. Or, visit [www.optimahealth.com](http://www.optimahealth.com).

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Optima Medicare. In most cases, your prescriptions are covered under Optima Medicare (PPO) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

### **Chain and Retail Pharmacies**

All of our chain and retail pharmacies can provide an extended day supply of medications.

### **Home Infusion Pharmacies**

Optima Medicare will cover home infusion therapy if your prescription drug is in Optima Medicare's formulary or you have a formulary exception. You may get more information about Home Infusion Pharmacies by calling Member Services at the number on the cover of this directory or review your Evidence of Coverage.

### **Long-Term Care Pharmacies**

Residents of a long-term care facility may access their prescription drugs covered under Optima Medicare through the facility's long-term care pharmacy or another network long-term care pharmacy. You may get more information about Long-Term Care Pharmacies by calling Member Services at the number on the cover of this directory or review your Evidence of Coverage.
